

## 2013; Sanitation for All

The month of October every year is observed as the sanitation month with the collaboration of Go-NGO in Bangladesh. Like other part of Bangladesh in Khulna the month was also observed elaborately. On 21 October in collaboration with District commissioner office, Department of Public Health and Engineering (DPHE) and NGO Forum for Drinking water and Sanitation organized a

day long program including rally, demonstration of hand wash and briefing meeting. Mr. Jamsar Ahmad Khandakar, District Commissioner (DC), Khulna was present as the chief guest of the whole program and among the especial guests Dr. Md Abdul

Hannan, Civil Surgeon, Khulna and Md. Zaved Ikbal, senior Information officer, P.I.D were present. The program was coordinated by Mr. Sk Abdul Mannan, Executive Engineer, DPHE and Mr. Sarif Hasan Sayid, Regional Manager, NGO Forum also helped him. As a co-organizer Initiative for Right View (IRV) also took part in very event of the program. Students from different educational institutions, members of the civil

society, activists, journalist, NGO representatives and Government official participated in the program.
